

**Gopal Sreenivasan** is the Lester Crown University Distinguished Professor of Ethics at Duke University. Between 2002 and 2008, he enjoyed the great honour of being Ronnie de Sousa's colleague in philosophy at the University of Toronto. Sreenivasan is the author of two books, most recently *Emotion and Virtue* (Princeton, 2020). These days, he is mostly writing on rights or human rights. He has published a series of papers on each topic, but continues to add to both stacks.
